Climate Skeptic Temperature History

Anthony Watts has an interesting blink comparison between the current version of history from the GISS and their version of history in 1999 It is amazing that all of the manual adjustments they add to the raw data constantly have the effect of increasing historical warming

Spey casting Wikipedia

Spey casting is a casting technique used in fly fishing Spey casting can be accomplished with either a normal length fly rod or a rod referred to as a double handed fly rod often called a Spey rod Spey rods can also be used for standard overhead casting

Prospects for inflation Inflation Report February 2018

Inflation was 3.1 in November triggering an exchange of letters between the Governor and the Chancellor. The current overshoot of inflation above the 2% target is almost entirely due to the effects of higher import prices following sterling's depreciation, the contribution from which will dissipate in coming years.

The Global Competitiveness Report 2018 Reports World

This chapter highlights global trends, regional highlights, and selected country results from the inaugural edition of the Global Competitiveness Index 4.0.

Environmental impact of dietary change: a systematic

Global food production is identified as a great threat to the environment. In combination with technical advances in agriculture, dietary change is suggested to be necessary to reduce the environmental impact of the food system.

The Global Competitiveness Report 2018 Reports World
