Prior to 2008 I have recommended cod liver oil as a dietary supplement to support healthy

---

vitamin D levels However based on more recent findings I am updating my recommendations regarding cod liver oil as it may not serve you as well as I previously believed

Cod liver oil nature's most potent superfood

Cod liver oil is a notable exception In fact even though most people think of it as a supplement it's more accurate to refer to it as a food – or perhaps “superfood” In particular I recommend that all men and women trying to get pregnant and all women that are pregnant and breastfeeding take fermented cod liver oil sold by Green Pastures – I have no affiliation with them
